Petition to Withdraw Holding of Abandonment Under 37 CFR 1.181(a)

Mail Stop: Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Responsive to the notice of abandonment mailed January 12, 2007, Applicants respectfully request the withdrawal of the holding of abandonment under 37 CFR 1.181(a).

Applicants respectfully submit that the notice of Abandonment, mailed January 12, 2007, regarding U.S. Patent Application Serial No. 09/488,345 is in error. The Notice of Abandonment states that the subject application is abandoned due to "Applicant's failure to

timely file a proper reply to the Office letter mailed on 29 March 2004,” and further states that no reply to the Office letter was received.

Applicants respectfully submit, however, that a Response to the Office Action of March 29, 2004 was filed in U.S. Patent Application Serial No. 09/488,345 on June 28, 2004 by facsimile transmission, and a confirmation of receipt was received by from the USPTO. Therefore, Applicants respectfully submit that this Notice is in error and request a withdrawal of the holding of abandonment under at least 37 CFR 1.181(a).

It is noted that 37 CFR 1.8(a)(1) states that “[c]orrespondence will be considered as being timely filed if ... (B) Transmitted by Facsimile to the Patent and Trademark Office in accordance with 1.6(d).” Applicants respectfully submit that a response to the Office Action was transmitted via facsimile to the USPTO on June 28, 2004 pursuant to 37 CFR 1.6(d). Further, Applicants submit that an “Auto-Reply Facsimile Transmission” return receipt confirmation was received from the USPTO on June 28, 2004 confirming receipt of eleven (11) pages. Attached herewith as Exhibit A is a copy of the “Auto-Reply Facsimile Transmission confirming receipt of the Response filed June 28, 2004.

Further, 37 CFR 1.8(b) states that “[i]n the event that correspondence is considered timely filed by being mailed or transmitted in accordance with paragraph (a) of this section ... the correspondence will be considered timely if the party who forwarded such correspondence: ... (3) Includes a statement that attests on a personal knowledge basis or to the satisfaction of the Director to the previous timely mailing, transmission or submission. If correspondence was sent by facsimile transmission, a copy of the sending unit’s report confirming transmission may be used to support this statement” Applicants further submit herewith a “Declaration by Steven M. Freeland Attesting to the Filing of a Response on June 28, 2004.” This statement attests that a Response was filed in U.S. Patent Application Serial No. 09/488,345 on June 28, 2004 by Facsimile and that an “Auto-Reply Facsimile Transmission” (attached as Exhibit A) was received confirming that submission. Exhibits B and C are also attached herewith, where Exhibit B is a copy of the facsimile report from the sending unit confirming transmission of eleven (11) pages; and Exhibit C is a copy of “Amendment A” that was facsimile transmitted in U.S. Patent Application Serial No. 09/488,345 on June 28, 2004, comprising “Amendment A” of nine (9) pages (with a “Certificate of Facsimile Transmittal” on page 1), a Facsimile cover page of one (1) page and a Transmittal Form of one (1) page, for a total of eleven (11) pages.

Exhibit D also attached herewith is a printout (printed March 5, 2007) of the "Transaction History" for the subject application (i.e., U.S. Patent Application No. 09/488,345) accessed through the Patent Application Information Retrieval (PAIR) system showing an entry on June 28, 2004 of "Workflow incoming amendment IFW." This printout further demonstrates that the subject Response was timely filed and received by the USPTO.

Applicants respectfully submit that the Notice of Abandonment issued on January 12, 2007 was issued in error as Applicants timely filed a Response on June 28, 2004, which was within the three (3) month shortened period set by the office action mailed March 29, 2004. Therefore, Applicants respectfully request the Notice of Abandonment be withdrawn in accordance with 37 CFR 1.181.

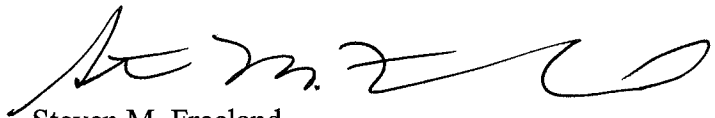

CONCLUSION

In view of the statements above, the evidence presented (Exhibits A-D) and the Declaration submitted herewith, applicants respectfully submit that the notice of abandonment mailed on January 12, 2007 is in error, and respectfully request that the notice of abandonment be withdrawn.

Dated:

3-9-07
